- A copy of application fee payment slip that is validated by "Certified True Copy"
- Two pre-paid postage envelopes, addressed to the applicant.

3. Admissions

The Bachelor of Science in Biotechnology (International Program) is authorized to admit up to 6 (six) applicants.

4. Interview Exam

The interview may be held in April 2020, Faculty of Science, Chulalongkorn University.

5. Evaluation Criteria

All applicants with a completed application package will be evaluated for admission on the basis of the criteria and test scores as outlined in 1 (above) as well as on the result of the oral interview.

Selection criteria for admission are:
- English Proficiency Test Score: 30%
- Mathematics Proficiency Test Score: 30%
- Interview Score: 40%

6. Enrollment

In order to be eligible to enroll at Chulalongkorn University, students must have successfully completed upper secondary or high school education. Students who have graduated from international schools in Thailand that have been accredited by the Ministry of Education may use their school transcript or diploma. Applicants who have graduated from international schools in Thailand that have not been accredited or who have graduated from abroad need to obtain an equivalent certificate from the Ministry of Education.
